CORAM: S.B.MHASE &
D.G.KARNIK, JJ.

DATE : FEBRUARY 14, 2006.

P.C.

1. Heard learned counsel for the petitioner.

The writ petition was directed against the order of the Deputy Director of Education passed on 19th June 1998. The order states that the earlier decision of withdrawal of recognition of the school is cancelled. No stay was granted to this decision at the time of admission of the petition in the year 1998. Without recognition the school cannot run and must not be running authorisedely for the period of more than 10 years. We are therefore of the opinion that the earlier order passed by this court disposing off the petition as infructuous is appropriate order and no interference is called for.

Application stands disposed of.
